4-H Club Officer Resources
We have seen many 4-H Clubs begin to name their 2021 4-H Club Officers. Ohio 4-H offers great resources to help your officers be successful. These resources include an officer record book, resource book, and videos from the Ohio 4-H Teen Leadership Council. Resources can be found at Ohio4h.org/officerresources. The resource books are in printable form on the ohio4h.org site, but we have converted them to online fillable pdfs, available on our county website, at lawrence.osu.edu.

2021 Market Steer Tag-In, December 19th & Safety Procedures
Any 4-H/FFA Member planning to show a Market Steer at the 2021 Lawrence County Junior Fair must bring their Market Steer to be tagged at the Fairgrounds on Saturday, December 19th from 10:00-12:00pm. In order to follow COVID-19 safety guidelines, the tag-in will be closed to the public. We ask all participants and family members to remain in their vehicle until it is their turn, in line, to be tagged. A designated representative will collect participant information from you, as you wait in your vehicle. Market Steers will not be unloaded from the trailer to be weighed. Market steers must be haltered, so designated fair board and livestock committee members can tag your animal at the trailer. Any person who chooses to exit your vehicle while tagging occurs must wear a face mask. For complete rules, visit lawrence.osu.edu.

“Tic, Tac, Toe, Can You Get 3 In A Row”, Lawrence County 4-H Community Service Project
4-H members are encouraged to develop and practice skills to become helpful and useful in their club, community, country, and world. 4-H Community service project allows youth and adults to work together while helping others at the same time. This year, we challenge you to participate in a game of Tic, Tac, Toe.

Are you a club leader looking for ways to complete a community service project with your members without meeting in person? This is a great way to make this happen, as each of these can be completed at home on your 4-H club member’s own time. Are you a parent or 4-H member looking for ways to give back to the community? Here are fun ways you and your family can do this together!
