

FOOD SAFETY

ServeSafe® Person in Charge Training

ServeSafe® Training has become the industry standard in food-safety training and is accepted in almost all U.S. jurisdictions that require employee certification.

The **Person in Charge** training enhances employee understanding of major food safety principles: time and temperature abuse, cross-contamination, and personal hygiene.

The program includes a National Restaurant Association Education Foundation Handbook, several hand-on activities and a Certificate of Completion.

Person in Charge training is a one-day basic food safety training which meets **ODH Level 1 Training Requirements** for food service employees as well as those opening an establishment for the first time.
