

2024

Lawrence County 4-H Club Calendar

Club Name: _____

*Completed document must be submitted to the Extension office no later than March 15th.

Club Meetings

Each 4-H club is required to hold a minimum of 6 club meetings per year. Please list your scheduled club meeting dates, times, and locations below.

Meeting Date	Meeting Location	Meeting Time

Quality Assurance

All youth enrolled in a market animal project who plan on exhibiting at the county fair must complete Quality Assurance Training (QA) yearly unless they have successfully completed the Test Out Requirement.

Please list your scheduled Quality Assurance Training date, time, and location below.

Training Date	Training Location	Training Time

Our club does not plan on providing our club members Quality Assurance. I understand youth are still required to complete this requirement through other county Quality Assurance options.

Name of Volunteer completing this form: _____
